Purpose:

The purpose of the Assistive Technology Device Demonstration Program is to offer individual or group exploration of one or more assistive technology devices to assist in decision making about device purchase or utilization. In addition, the demonstration program can offer guided experiences for individuals and small groups with a particular device to support effective usage.

Policy:

1. The AT Device Demonstration Center is available by appointment only by calling 1-800-257-1705.
2. Requests for equipment demonstrations may be made by a person with a disability, family members, advocates or service providers (e.g. therapist, teacher, rehabilitation counselor).
3. Not all devices available for demonstration are available for short term loan through the ABLE Tech Equipment Loan Program. If interested in borrowing equipment after a demonstration, please inquire about availability and loan procedures when calling for your appointment.

Procedures:

1. Call for an appointment and come to the Oklahoma ABLE Tech office located in 103 S Seretean Wellness Center on the OSU-Stillwater campus. Park in the metered spaces on the east side of the building.
2. Or arrange an appointment by emailing shelby.sanders@okstate.edu
