

**Assistive Technology  
Purpose, Policy, Procedures**

**Device Demonstration Program**

**The Assistive Technology Device Demonstration Program** is located at the Alzheimer's Association, Oklahoma City Office:  
6601 Broadway Extension Suite 120  
Oklahoma City, OK 73116  
405-279-9121

**Purpose:**

The purpose of the Assistive Technology Device Demonstration Program is to offer individual or group exploration of one or more assistive technology devices to assist in decision making about device purchase or utilization. In addition, the demonstration program can offer guided experiences for individuals and small groups with a particular device to support effective usage.

**Policy:**

1. The AT Device Demonstration Center is available by appointment only by calling 405-279-9121
2. Requests for equipment demonstrations may be made by a person with a disability, family members, advocates or service providers (e.g. therapist, teacher, rehabilitation counselor).
3. Not all devices available for demonstration are available for short term loan through the ABLE Tech Equipment Loan Program. If interested in borrowing equipment after a demonstration, please inquire about availability and loan procedures when calling for your appointment.

**Procedures:**

1. Call for an appointment and come to the Alzheimer's Association office at 6601 Broadway Extension, Suite 120, Oklahoma City, OK 73116. We are located in the Salvation Army Building.
2. Or arrange an appointment by emailing [mbusteed@alz.org](mailto:mbusteed@alz.org)
