Device Demonstration Program

The Assistive Technology Device Demonstration Program is located at:

KEDDO Area Agency on Aging
1002 Highway 2 North
Wilburton, OK 74578
918-465-2367
1-800-722-8180 (toll free)

Purpose:

The purpose of the Assistive Technology Device Demonstration program is to bring awareness to the communities by giving Assistive Technology Demonstrations to assist in the decision making about device purchase or utilization. Information will be provided about ABLE Tech and the Assistive Technology demonstration program can offer guided experiences for individuals or small groups with disabilities as well as those that need a little extra help.

Policy:

1. The Assistive Technology Device Demonstration is available by calling 918-465-2367 to schedule an appointment.
2. Some devices will be available for short term loan through ABLE Tech by calling toll free 800-257-1705(V/TYY) or email abletech@okstate.edu

Procedures:

1. Call to schedule a demonstration appointment at 918-465-2367 or come to the KEDDO Area Agency on Aging office located at 1002 Highway 2 North, Wilburton, OK 74578.
2. Or arrange a demonstration appointment by emailing shumphreys@keddo.org

For a complete list of available devices visit ABLE Tech's website: okabletech.okstate.edu
