

Make 'n Take Sheet

Discover How Easy It Is To Make Your Own Assistive Technology!

Page Fluffers

Page fluffers are to help with turning pages

Materials:

Large Paper Clips
Popsicle sticks
Sponges
Book
Hot Glue Gun
Scissors

Make-N-Take Price: \$5.00

Directions (Choose one of the 3):

1. Number Popsicle sticks for however many pages you have in your book and hot glue them to the pages either in the middle or wherever is easiest to turn the page with.
2. Cut sponge into half inch square pieces and hot glue to pages.
3. Put paper clips at the tops and edges on every page.

Oklahoma ABLE Tech, the statewide Assistive Technology Act Program, is funded through the Administration for Community Living of the U.S. Department of Health and Human Services, and maintains coordination and collaboration efforts with partners throughout the State of Oklahoma.
