Adapted Visual Organizer

An adapted visual organizer made with everyday household materials for individuals with cognition deficits.

Materials:

Laminated White Paper OR Clear Contact Paper
Scissors
Hole Punch
Keyring
Sharpie

Make 'n Take Price: \$2.49 (lamination only)

Directions

1. Laminate Paper and/or apply white sheet of paper to contact paper (Helpful Hint- Staples and Office Depot laminate).

2. Write organization tasks on lamination with Sharpie (i.e. work passwords/codes, laundry directions, sorting instructions).

3. Cut directions in matching shapes (squares or rectangles).

4. Punch hole in corner of square or rectangle.

5. Apply cut out directions onto keyring in correct order.

6. Use visual organizer.
