

Connecting Oklahomans with Disabilities to Assistive Technology

Empowering Voices: Effective AAC Evaluations

Dates/Times

April 15, 2023, 9:00 am-3:30pm

Location

In-Person Course

Seretean Wellness Center (Oklahoma State University's Stillwater Campus)

Lecture Hall 102

1514 W. Hall of Fame

Stillwater, OK 74075

Description

Participants will learn the process for conducting an effective Augmentative and Alternative Communication (AAC) evaluation/assessment using the SETT framework and feature matching. Additionally, the course includes information about report writing and funding options as well as hands-on experience with speech communication assistive technology. Prerequisites: none

Learning Outcomes

1. List eight (8) components to include in an AAC assessment using the SETT Framework
2. Demonstrate feature matching skills with various AAC language systems/devices
3. Complete the SETT Framework for an individual
4. Apply feature matching skills to determine AAC language systems/devices for trial with an individual
5. List three (3) funding resources for high-tech speech communication devices
